Dear Mr. Marchessault:

In response to the August 9, 1988 letter to the Mobil Oil Corporation Terminal (Mobil), 580 Charleston Street, East Boston, New Hampshire 02128 from the Environmental Protection Agency concerning the above-referenced waste disposal site, Mobil has conducted a thorough search of its records and has been unable to discover any documents relating to Mobil's waste contribution to the above-referenced site.

If you have information which you believe establishes Mobil's transportation or disposal of hazardous substances at this site, we would appreciate it if you would forward same without the need for a formal Freedom of Information Act request.

Very truly yours,

R. J. Brenner
